Comments	Nearly all pupils could ask and answer familiar questions with confidence. Most pupils expressed great enjoyment of Welsh and mentioned practicing it at home with family members. Many pupils were thinking carefully and selecting the correct form of yes/no to respond.		
Way Forward:	• Develop extended sentences by learning reasons for feelings and activities. • Continue to develop a range of questions and answers. • Begin to move questions and responses into past and future tenses. • Consolidate use of third person.		

Rydyn ni'n gwrando i dysgwyr yn Cymraeg.
