"Together Everyone Achieves More!"

19th September 2025

Dear Parents and Carers,

We are pleased to let you know about a new format for how we will be reporting your child's progress and holding parent meetings throughout the school year.

This year, we will be offering **three key opportunities** for you to meet with your child's class teacher:

1. **Introductory Class Meeting – September**
   This meeting will provide an overview of the year ahead, including curriculum highlights, routines, and expectations. They will take place on **Monday 29th September** and **Wednesday 1st October**. Times and dates for each class will be sent out separately.
2. **Individual Pupil Meeting – Start of Spring Term**
   A one-to-one meeting to discuss your child's progress, strengths, and next steps in their learning.
3. **Individual Pupil Meeting – Start of Summer Term**
   A follow-up meeting to review progress made, celebrate achievements, and discuss targets moving forward.

At each individual meeting, you will receive a **progress report** outlining the skills your child has covered and the progress they have made against their personal targets. These reports are designed to give you a clear picture of your child's learning journey and how we are supporting them in school.

Each child will receive a **final summer term report** that will celebrate achievements, review progress and summarise attitudes to learning.

We hope this new format will strengthen the partnership between home and school, and ensure that you feel well-informed and involved in your child's education.

If you have any questions or would like further information, please speak to your child's class teacher or contact the school office.

Thank you for your continued support.

Cofion cynnes,

C Briley
Headteacher of Oaklands Primary
